

2019 Awards for Excellence Celebrating 100 Years

Clubs in the Community

Special Projects / Charitable Causes

If your club has completed a project that connected different groups in the community, raised money for a worthy cause, promoted an important message, or simply worked towards a greater future, you could be eligible for this noteworthy award. This award aims to promote the vital role that clubs play in supporting their Members and local communities.

An award for a Club that displays outstanding dedication to working with the community. This award takes into account the Club's support for community groups including sports, social, welfare, youth, charities, schools, and the disadvantaged. It acknowledges both financial and in kind support.

Judges will base their assessment on a range of areas including but not exclusive to the following:

- Community events held during the eligible period (1 April 2018 – 31 March 2019)
- Evidence of the project such as media attention, notes, testimonials and photos
- Photo of people involved in the project
- Project details (*Description, Key Dates, Reason for undertaking*)
- Details of how the project contributed to the betterment of the Club (*Increased exposure, Team building*)
- Details of how the project contributed to the betterment of the Community (*Who was involved, Ongoing benefits*)
- Project Evaluations / feedback (*Will you hold again and why*)
- Staff participation in community events
- Encouragement of younger generation involvement
- Other relevant information e.g. newsletters; promotional material
