Best Members Event Award

And the winner is...

Royal South Australian Yacht Squadron

The Royal South Australian Yacht Squadron are being awarded the Best Members Event for their 2018 Opening Day held on the 3rd of November last year. This annual member's event opens the summer sailing season for the Club and is a chance for members to renew friendships, have fun and enjoy a day full of activities, promoting 'Seamanship and Fellowship'.

Over 1,000 guests attend this event each year with eighty invited dignitaries participating in the Sail past to salute the Club Commodore.

The many elements, including full drinks and beverage service on the 'One and All' make this event a logistical challenge. One which the Royal South Australian Yacht Squadron achieve seamlessly.

Congratulations to this wonderful Club.
