Hospitality Team of the Year

*And the winner is...*

## **Renmark Club**

The Renmark Club demonstrated their commitment to growing their leaders in hospitality by offering training and encouragement for them to succeed. Their philosophy is “to grow our own” leaders and professionals, where management encourage staff to expand their careers and knowledge in the hospitality and tourism industry.

The Management Team at the Renmark Club believe a positive culture being paramount and its Board, Management and Staff have a focus to bring the best to the Riverland.

The judges commend the Renmark Club on their obvious staff and hospitality focus through strategies such as weekly staff meetings and continual training opportunities.

Well done to the Renmark Club for striving to be a workplace of choice in the Club and Hospitality industries.
