

## *2019 Awards for Excellence* *Celebrating 100 Years*

---

Club of the Year Medium

*And the winner is...*

# Henley Surf Life Saving Club

The Henley Surf Life Saving Club was the first lifesaving club in South Australia, established in 1925. More recently, after 10 years of fundraising and negotiations with local and State government they proudly redeveloped and opened their new clubhouse in October 2013, offering for the first time a commercial restaurant and bar, The Oceanview Room.

As a result, year on year the Club has seen growth and for the 2018/19 season they recorded their highest number of registered members in the Club's 94 year history - **690** volunteer members, 299 of whom represent our Juniors aged 5 – 18 years of age.

The Henley Surf Life Saving Club consider themselves a FAMILY club ensuring they provide a variety of programs and events that cater to all age groups.

The support the Club offers is diverse and worth commending with the provision of a multicultural program – 'On the Same Wave' and a number of Inclusion and Accessibility programs like 'Snippers' – a modified nippers program for children with disabilities.

Congratulations to the Henley Surf Life Saving Club – keep up the fantastic work.
