

Club of the Year Large

And the winner is...

South Australian Jockey Club

Throughout the judging process this year, the SAJC received consistently high scores across all categories they entered. The high average scores of these categories ensured they have now been recognised as Clubs SA's Club of the Year Large for 2019.

Their high level business operations in the areas of functions, dining, gaming and marketing ensured their win tonight.

In this Clubs SA's 100th Year it was truly a close race for this award, and the judges would like to convey, once again, how impressed they were with this year's nominees.

Congratulations to the South Australian Jockey Club.
