## **CRITERIA FOR “CLUBS FOR COMMUNITIES” SPONSORSHIP SUPPORT**

The ‘Clubs for Communities’ Funding Program is funded by not for profit community and sporting Clubs with gaming machines through the Independent Gaming Corporation (IGC). South Australian Clubs are the heart and soul of their communities and provide relief and assistance to those living within them – thanks to the gaming machine monitoring fees paid by Clubs to IGC.

**Projects must be accessible to people from across the State.**

- One application per organisation will be considered in any twelve-month period.
- Organisations seeking assistance should identify a specific project to which "Clubs for Communities" can provide direct funding assistance.
- Projects can be a "once off", or over a longer term. Sponsorship will be provided for up to 12 months.
- Projects should reflect a high standard of integrity and identify the specific area of the community who will most benefit from assistance.
- Projects must be undertaken as a "joint venture", utilising the existing infrastructure of the fundraising organisation to coordinate and promote the funding of the project and funding with Clubs SA.
- Preference will be given to causes that:
  - can demonstrate assistance to those sectors in the community that are in some manner 'disadvantaged'. For example, priority will be given to projects that support children, young people, physically and/or intellectually disadvantaged people, health-related programs, and community-based projects by not for profit organisations.
  - require funding of up to \$10,000.
  - benefit a charity or community organisation directly, without going through an intermediary.
- To ensure the integrity of ‘Clubs for Communities’ is maintained, successful projects will reflect the ‘Clubs for Communities’ profile in a safe and responsible manner.
- Applications for support must be in writing to the Clubs SA. Applications must provide details of involvement and available infrastructure to promote and secure recognition for ‘Clubs for Communities’ sponsorship.
- For capital expenditure projects, two independent quotes must be included in the application. Local suppliers must be first consideration.
- Where applicable, GST must be included in the total value of the funding sought.
